SEASONAL CAMPERS' LIAISON

Allan Moorhouse, Site G-12

A great big Delta welcome to all of our new Seasonal Campers.

The 2016 camping season is now well underway. Over the last few weeks we have watched the Park come back to life with seasonal campers getting their trailers and sites ready for the upcoming season. It is certainly a busy time of the year for everyone, but a time that we have been looking forward to with much anticipation.

Thanks to the efforts of our Seasonal Campers' Recreation Committee, we have seen many upgrades to the Park. It is not hard to see how popular the new playground equipment and the rejuvenated mini-putt course are with all the children enjoying them. The flags at the entrance to the Park are a welcoming site as we pass by the gate house.

The screens have recently been installed on the Bradford Pavilion. This should make a huge difference with events scheduled for the Pavilion when the weather is less than ideal. Thanks to all the volunteers who assisted with this upgrade.

Circle June 11th on your calendar. The day starts off at 9:00 a.m. with coffee and donuts with Park Manager William Morris. William will bring us up-to-date with recent accomplishments within the Park, along with the plans for the upcoming season. This session also provides seasonal campers with the opportunity to ask questions of William. A pot-luck supper is scheduled for the Bradford Pavilion at 5:00 p.m. For those of you who participated in this event last year will remember the Pavilion packed; not only with seasonal campers but also table after table full of delicious food. The day does not end there.... from 6:00 p.m. to 10 p.m. there is an Ice-Breaker for all Seasonal Campers and their families. This involves live entertainment for the evening. For further information, please refer to the promo for this event that is included with this Park Post.

Wishing you a great camping season; see you around the park!

PROPANE TANK EXCHANGE

We are pleased to once again offer a propane tank exchange for the convenience of our customers and members of the general public. Empty 20 pound tanks may be exchanged for full tanks provided that the tank issuance date is not prior to 2008. Tanks with propane may also be purchased from staff at the Gate House.

For the convenience of our camping clientele, an ATM has been installed in our Gate House.

SEASONAL CAMPERS' MEETING

Our first "Meet and Greet" for all seasonal campers will be held at the Bradford Pavilion at 9:00 a.m. on Saturday, June 11th. Coffee and donuts will be available.

REMINDERS

Just a reminder that staff have been instructed to "pull the pins" during the pumping process of all seasonal trailers. It will remain the responsibility of the site holder to push the pins back into the trailer. Once pulled, there will no longer be any doubt as to the action of staff.

June 14th: The Annual General Meeting will be held at the Old Town Hall at 7:00 p.m. followed by a showing of Joseph Rosendo's Travelscope: "Thousand Islands - A Canadian Bi-National Adventure." Rosendo already has won four Emmys, been nominated 17 times, and he holds 29 Telly awards. The PBS Travelscope series has been nominated for two Emmy Awards: Cinematography and Sound Editing in the Daytime Entertainment category.
