

DELTA PILOT.

VOL. 1

MONDAY, FEBRUARY 28, 2011

NO. 1

On Thursday April 6th, 1905 an article in the DELTA PILOT. read *“born in the thriving village of Delta, it is a bouncing babe, the idol of the community and has grown so rapidly that it is able to run at an enormous speed”*.

With the Reverend George Wellington Connors as the Editor-In-Chief, the DELTA PILOT. was distributed every Thursday between 1905 and 1908. The newspaper was printed in a King Street drive shed, which was opposite John Street, on a printing press that had been relocated from a defunct printing plant in Bancroft.

After 3 successful years, Rev. Connors wrote another article on March 27th, 1908 stating *“this issue completes the publication of the Pilot in Delta, thus ending an era of newspaper life in this community – that is until NOW!*

At the January meeting of the Lower Beverley Lake Park Management Board, approval was granted to create a community newsletter to be used as a communication tool to advertise not only park events but community based activities as well during 2011. This newsletter will be named the DELTA PILOT.

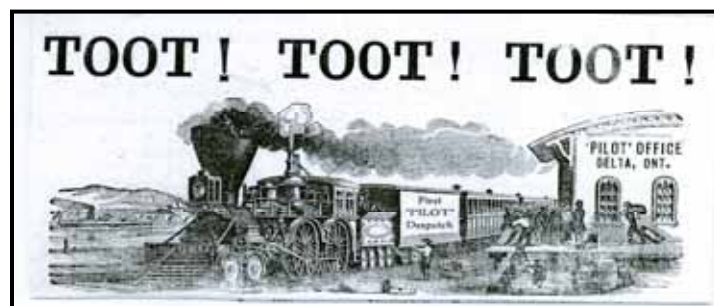

The plan is to promote any community based not-for-profit or charitable events which occur within our Village while showcasing the various organizations and their volunteers. Event information can be emailed to bevlake@ripnet.com .

Notification of this project has been sent out to all not-for-profit and charitable organizations in our community requesting submissions.

Special thanks to Sue Warren, Paul Fritz and Betty Penstone for supplying the historical information related to the original paper. The masthead has been scanned to show the actual name and font of the newspaper.

SHOWCASING

200th Anniversary of St. Paul's Anglican Church

2011 will mark St. Paul's 200th year of service to the village of Delta and the surrounding community.

St. Paul's is one of the oldest continually used churches in Ontario. Construction of St. Paul's was initiated by the Baptist congregation in 1811 and completed with assistance from the Anglicans who eventually assumed ownership of the building. Both of these founding denominations shared the facility for a period with the Methodists (1843-1862). One could say that St. Paul's was the birthplace of ecumenical fellowship in our village.

Throughout the years, St. Paul's has been a focal place in our community, and not just for those who gather to worship on Sunday mornings. Whether it is the anxious groom waiting for his bride; the young parents with their infant waiting to be baptized; or the family being comforted by friends and loved ones, St. Paul's has, and continues to provide a warm and welcoming venue for community fellowship, where the Grace of God and the love of neighbours and friends have touched people's hearts and minds in profound and life-giving ways.

The first in a series of events planned for this year will take place Sunday April 3rd beginning at 9:00am when the congregations of the three churches in Delta will come together to share in a Service of Celebration at St. Paul's. The service will honour the three churches that shared the building at various points in time between opening in 1811 until 1864 when the Baptists sold their remaining shares.

Pastor Brian Wheaton, Reverend David Timpson, and Reverend Canon Karen Freake will jointly conduct the service. The general public is welcome to attend.

Additional anniversary information may be obtained by contacting Doug Cowley at 928-2761 or via email at redmore.farm@gmail.com.

SAVE YOUR MILK BAGS!

The Delta United Church is collecting outer plastic milk bags to support a project sponsored by the South Crosby Public School. Students will clean the bags and then send them to groups in the local area where they will be cut into strips before being crocheted into mats which will be used by the people of Haiti to sleep on.

It's better than sleeping on a mud floor and it is a great way to [go green](#) by saving them from our local land fill sites. If you wish to help with this project, please drop the bags off at the United Church or at South Crosby Public School.
