The Count Down is On!

Well, the official countdown is on to the summer of 2009! It hard to believe that we will finally be able to trade in our well used snow shovels for lawn mowers. The Management and Staff of Lower Beverley Lake Park are looking forward to the return of our seasonal camping friends next month.

Christmas 2008

It was great to see so many members of our camping family in attendance at our forth annual "Celebrating the Season" light festival in December. Approximately 4500 people visited the park to see the lights and figurines and to visit Santa's workshop for a cup of hot chocolate and a donut. We have since received many positive comments about our evenings in the park.

One of the new attractions offered in 2009 will be a miniature display of heritage buildings located within the Delta community. Don Paul and Brian Abrams completed the construction of 10 miniature replicas during the winter months with plans being put in place to expand the display yet again next winter.

Operational Dates

The park will be open to the public for camping between the dates of Friday, May 8th and Monday, October 12th, 2009. While Seasonal Campers may access the park to clean their lots/trailers prior to our opening day, over night stays are not permitted until May 8th. Vehicle access will be provided when weather and road conditions permit.

2010 Rates

During the March meeting of the Management Board, members passed By-Law # 2009-02 which established and now regulates the rates / fees for all sites / services during the 2010 season. Rates have been increased to reflect the ongoing increase in hydro, water and septic related expenses. The following rates will apply to next year's camping sites.

Non-Serviced Sites: \$ 927.00 + \$46.35 (5% GST) = \$ 973.35
15 amp Service: \$1467.50 + \$73.38 (5% GST) = \$1540.88
30 amp Service: \$1725.25 + \$86.26 (5% GST) = \$1811.51

2010 Payment Schedule

**Prices include GST*

<i>Site</i>	<i>October 12th, 2009</i>	<i>February 28th, 2010</i>	<i>May 7th, 2010</i>
Non-Serviced	\$315.00	\$329.17	\$329.18
15 amp Service	\$400.00	\$570.44	\$570.44
30 amp Service	\$400.00	\$705.75	\$705.76

Just a friendly reminder that your **final 2009 instalment** is payable at the Gate House prior to occupying your campsite on May 8th. We thank you for your prompt attention to this matter.

Appointment of Seasonal Liaison

As many will recall, an invitation for applications was extended to all those seasonal campers who were interested in serving as the Liaison to the Management Board on behalf of the Seasonal Campers. Applications were received and members of the Management Board met with the various candidates on March 3rd.

Following the application and interview process, the Board has reappointed Mrs. Valerie Doyle as the Liaison for the period of 2009-2010. Please feel free to contact Valerie with any of your comments.

Seasonal Campers' Liaison*

Hi Everyone!

It is nearly Spring and Delta here we come! It will be great to see all of you again. I am delighted to have been reappointed as your Liaison person to the Management Board. As always, please feel free to send me any of your comments, suggestions and especially your compliments.

See you in May.

Spring Projects

Since the return of maintenance staff on March 16th, various projects have been completed within the park including the painting of the interior walls in the Gate House, Cottage 10 /11, and the installation of new countertops, sinks and cubicle walls/doors in both washroom facilities at the Canteen and the Small Service Centre. The Canteen and Cottage 4 were completely renovated this year and received new windows, doors, light fixtures, decking, and ceiling/wall coverings.

In the fall, the Park Board submitted an application to an outside funding source for financial support with building additional docks in the bay at A36. Unfortunately, this application was not successful and as a result, we will not be able to add a new docking facility to the park this year.

Spring Clean Up

Just a reminder to those seasonal campers who will be in the park cleaning up their lots prior to opening day that any raked leaves need to be placed in a garbage bag and taken to the road for Maintenance staff to collect. Similarly, any waste should be dealt with in the same manner.

Any pre-season site clean up should NOT be carried out prior to May 1st as the roadways and grounds within the park are still very soft.

Family Fun for Everyone!

*Unless stated otherwise, all events will be held at the Bradford Pavilion
