I have met a number of people in the last month who are new or returning visitors to our park. All of them have told me how beautiful the sites are-especially the sites of "year-round" campers. Congratulations to all of you for doing such a great job in beautifying your site.

The Canoeshuk dedication ceremony on July 18th was absolutely lovely. There were 13 paddlers in attendance and about five motorboats waiting at the site. A sweet grass ceremony was conducted by Henry Kelsey who is a local member of the Woodland Métis followed by a violin duet by the Rev. Bruce Ross and Kathie Neiley. The music echoed over the water as the sun rose and turned the lake a beautiful golden colour.

Please don't forget the collection of canned goods for the Delta Food Bank at the Rudy and Saddle Up Concert on August 1st!
