July 2013

Welcome to the Summer of 2013!
We hope that you are enjoying your stay with us this season.

Volunteer Service Awards

Each year, the Park Management Board is pleased to acknowledge six campers in recognition of their numerous volunteer efforts, both past and present.

Certificates and pins were presented at a gala evening in Kingston at the Ambassador Hotel on June 20th by The Ontario Ministry of Citizenship.

(Front row l-r): Maureen Fenlong, Rose Hyland, M.P.P. Steve Clark, Jean Woods and Pat Phillips
(Back row l-r): Park Manager William Morris and Ed Woods
(Absent): Valery Kay

Happy Birthday Wishes

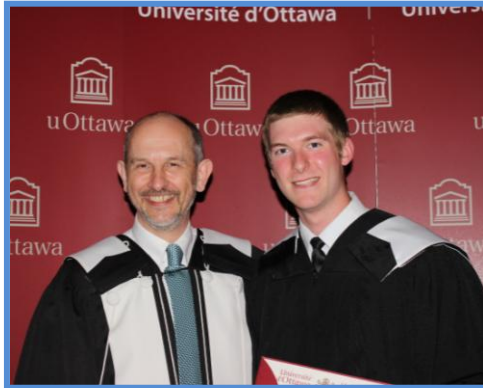

Happy Birthday wishes are extended to Ed Woods, site J-07.
A special birthday celebration was recently held at his site.

Congratulations

Congratulations are extended to Park Staff Members Austin Bresee and Shannon Carbino upon the successful completion of their academic course of studies.

We are all proud of your accomplishments!

Austin received a Bachelor of Arts (Hons.) Degree from Ottawa University.

Shannon received a diploma in Justice Studies from Loyalist College in Belleville.

Beautification Contest

Just a reminder that the Management Board and the Delta Beautification Committee are once again sponsoring a Beautification Contest for those patrons on sites designated as 'seasonal'.

Judges will be touring the park to view all seasonal sites during the week of July 15th with the results being posted at the Gate House on July 19th. No registration will be required as a list of all seasonal locations will be provided to the Beautification Committee.

The following categories will be available for competition:

- ✓ Best Overall Appearance
- ✓ Best Use of Colour

Delta Fair Tickets Available

If you are interested in purchasing a Delta Fair "4 Day Gate Pass" or an "Unlimited Ride Bracelet" for the World's Finest Amusement rides at a discounted rate, you can make the purchase at our *Snack Bar Plus* Canteen prior to July 25th.

Both the discounted ride bracelet and the "4 Day Gate Pass" are now available for \$25. The price of the ride bracelet increases to \$35 during the fair. Buy now and save!

From the Desk of
Brent Rathwell, Seasonal Campers' Liaison, Site G-17

Hi Folks;
Happy Canada Day and welcome to the long weekend!

Lots of things to do this weekend including karaoke, entertainment by Ambush followed by a chicken barbeque, bingo, a pancake breakfast, a horseshoe tournament, a poker tournament, 50/50 draw and much more so check your calendar of events.

The Park looks great thanks to the concerted efforts of our Seasonal Campers Planting Teams. The volunteer award presentation was held earlier this week in Kingston, recognizing the efforts of not only community volunteers but also some of our own campers from within the park. Congratulations to all!

The Seasonal Campers' Construction Team has completed construction of the new storage shed adjacent to the arcade. Thank you one and all for your efforts and support! This building is greatly appreciated.

As mentioned earlier, if you check your events calendar there will be a lot to do in the future for everyone as most schools are now finished with their curriculum so we will see the park grow busier throughout the summer.

A special welcome back to Wayne Garret (Site G-9). Wayne has been away dealing with multiple health issues over the last few months but we understand he is now on the road to recovery and will be back to enjoy the summer here at Lower Beverley. If you get a chance, drop by and say "Giddyay!"

Happy Camping!

News from the The Delta Mill Society

We are pleased to introduce the Mill, River and Flour exhibition which features a journey into the world of Canadian flour milling. This bilingual exhibit showcases the importance of agriculture to Canada and its direct link with our country's development. Immerse yourself in the world of flour mills from the New France era to the early 20th century. Admission is free!

RIVER at the
AND
FLOUR **Mill**

Flour and bread will be for sale again this year. Milling demonstrations began on May 18th and will continue throughout the summer. Please check the website for the schedule.

Bread will be available Saturday mornings at the Mill starting on June 16th.

Please visit the Delta Mill Society's website at www.deltamill.org or join our Facebook page for all the latest on our upcoming events.

Around The Grill

Few things can match the fun and enjoyment of a barbecue with family and friends.

Practice sensible, safe barbecuing and your summer get-together will be a sizzling success!

Do...

- Remember to always turn the gas valve on first.
- Keep gas hoses away from hot surfaces and hot grease.
- Keep children away from the gas valve and the grill.
- Keep loose clothing away from the hot barbecue.
- Clean the burners and grill regularly to minimize the risk of a serious grease fire.
- When you finish, turn the valve off first to allow the gas in the hose to be burned off, and then turn off the burner controls so no gas remains trapped in the hose.
- Allow your barbecue to cool completely before covering it.

Don't...

- Leave the barbecue unattended when in use.
- Allow grease to build up.
- Put water on a grease fire. It will only cause the flames to flare.
- Barbecue in an enclosed space, such as a garage. For ventilation and safety reasons, move your barbecue into the open at least 10 feet away from windows and doors.
- Place your barbecue near wooden fences or walls, beneath a combustible roof overhead or even under a tree with low branches. Be extra careful about the area behind the BBQ where hot gases escape and could create a fire hazard.
- When shopping for a new barbecue, look for the CSA Blue Flame Mark which shows that the BBQ meets recognized Canadian safety standards.

Test Your BBQ for Leaks

- Clean your burner ports and tubes with a pipe cleaner or wire.
- Check the hose attached to your tank. If cracked or damaged, replace it.
- Test leaks with a 50/50 water/soap solution to cylinder connections and hoses. If bubbles appear, you've got a leak. Tighten the connection or get it fixed.

Portable Propane Heater Safety

Never use a portable propane heater inside your tent, cottage or any enclosed space. Carbon monoxide will build up to dangerous levels that will cause serious injury or even death!

When it's chilly at the cottage or campsite, stay warm by:

- sitting around the campfire;
- using a heater that is permanently installed and properly vented;
- plugging in an electrical space heater.

Did You Know?

Carbon monoxide can build up in your RV under certain conditions. Ensure to follow these tips to keep your mobile home-away from-home carbon monoxide free:

- Never block the combustion exhaust vent on the external wall of your trailer.
- Never construct an enclosed space around the vent (where exhaust cannot escape).
- Have a certified fuels contractor inspect and maintain your propane equipment on an annual basis.
- Install a carbon monoxide alarm and propane leak alarm.
- Use designated spaces for storage and transportation of gas cylinders.

Propane Tank Exchange Program

We are pleased to once again offer a propane tank exchange for the convenience of our customers and members of the general public. Empty 20 pound tanks may be exchanged for full tanks provided that the tank issuance date is not prior to 2005. Tanks with propane may also be purchased from staff at the Gate House.

ATM

For the convenience of our campers and members of the general public, an automated teller machine has been installed in the Gate House.
