June 2013

Welcome to the Summer of 2013!
We hope that you will enjoy your stay with us this season.

SEASONAL CAMPERS' MEETING

Our first "Meet and Greet" for all seasonal campers will be held at the Bradford Pavilion at 9:00 a.m. on Saturday, June 22nd at 9:00 a.m. Coffee and donuts will be available.

From the Desk of

Brent Rathwell

Seasonal Campers' Liaison, Site G-17

Hi Folks;

Great to see everyone back and settled in for a new season!

All of our campers seem to be busy beautifying their lots which is a present to anyone moving around within the park. (The areas look great!) There are a lot of things to do this upcoming month including kids crafts, bingos, a horseshoe tournament and a Texas Hold'em tournament and oh yes, let's not forget bass season which opens earlier this year (the third Saturday of June).

Hope to see you at our first "Meet and Greet" for all seasonal campers which will be held at the Bradford Pavilion at 9:00 a.m. on Saturday, June 22nd at 9:00 a.m. Coffee and donuts will be available.

Happy Camping!

Before You Blow Your BREAKER!

Take a minute and see how many amps you could be using in your trailer. It is surprising to see how fast the amps add up which causes your trailer breaker or the park breaker to trip. By tracking the amps needed for all of the electrical appliances in your trailer, you can help manage electrical use and save yourself the inconvenience of saying "My Electricity Went Out!"

Appliance	Amps Required		Appliance	Amps Required
Air Conditioner	13 - 17 amps		Refrigerator	5.7 amps
Water Heater	12.5 amps		Microwave	12.8 amps
Coffee Pot	9 amps		Toaster	10 amps
Hair Dryer	10 amps		Television	2 amps
Dirt Devil Vacuum	2 amps		Trailer Power Converter	2-3 amps
Electric Frying Pan	10 amps		Iron	10 amps
Food Processor	6 amps		Crock Pot	1.5 amps
Heating Pad	0.5 amps		1,100 Water Heater	10 amps

Be sure to check the breaker in your own trailer first before calling the Gate House.

MESSAGE BOARD

Just a quick reminder that a message board has been installed on the outside wall of the Gate House. This board will be used to display any phone messages received for our seasonal clientele. Unless the message is of extreme importance, staff are unable to hand deliver the message to each site.

ATM

For the convenience of our camping clientele, an ATM has been installed in our Gate House.

DELTA FAIR RIDE AND GATE PASSES

Discounted advanced sale coupons are now available at the Canteen.

Ride sale passes are \$25 in advance and \$35 on grounds.
 4-Day gate admission pass is \$25 in advance and \$36 at the gate.

PUMPING REMINDERS

Just a reminder that staff have been instructed to "pull the pins" during the pumping process of all seasonal trailers. It will remain the responsibility of the site holder to push the pins back into the trailer. Once pulled, there will no longer be any doubt as to the action of staff.

AED DONATED TO THE PARK

As part of an initiative of the Heart and Stroke Foundation and Leeds Grenville Public Safety, we were successful in receiving a second Public Access Defibrillator for the park which will be stationed at the Lakersfield Ball Canteen. The first unit remains at the Gate House.

Park staff members along with some seasonal campers and ball players have been trained in the operation of the units.
