Austin Bresee, Maintenance Attendant
Elbe, Mascot

Marlene Stearry, Canteen Supervisor
Beth Reed, Canteen Sales Attendant
Betty Raison, Housekeeping Attendant
Pam Willard, Reception Attendant
Susan Abrams, Reception Attendant
Mike Simpson, Security Attendant
David Schur, Secretary-Treasurer

Just a quick reminder that a **message board** has been installed on the outside wall of the gatehouse. This board will be used to display any phone messages received for our seasonal clientele. Unless the message is of extreme importance, staff are unable to hand deliver the message to each site.

Campers are reminded that only **one vehicle is permitted to be parked on each site**. It is important to keep our roadways clear of additional parked vehicles and trailers. A red vehicle pass has been issued to each site holder with this newsletter. This pass is only valid for one vehicle. Campers who have more than one vehicle and wish to bring the additional vehicle into the park are reminded that they need to purchase an additional vehicle pass from Gate House staff at a cost of \$90. Additional vehicles are to be parked in the visitor parking areas.

Through a recent partnership with the Leeds-Grenville Emergency Medical Services, a **defibrillator** unit remains stationed at the **Gate House**. Park staff members along with some seasonal campers have been trained in the operation of this unit.

Docking spaces have now been marked for our seasonal campers at both docking locations. We request that seasonal campers do not use the creek bank as a docking site. Should you require a dock slip, please ask at the Gate House. A map has been attached.

Given the increased number of seasonal sites, maintenance staff has once again scheduled two days for the **collection of liquid waste** this season. Collection will be available each Monday in Areas A to G and each Thursday in Areas H to J.

Discount coupon booklets are now available at the Gate House for the pumping of liquid waste. While pump out fees are \$17.50 per load, we have printed a booklet of five pump out coupons that are available at a cost of \$75.00 which equates to a savings of \$12.50

Just a reminder that the **discharging of grey water onto the ground is strictly prohibited**. Grey water is defined as water, with any additions that is disposed of on a regular basis and that originates from showers, laundry and kitchen/washroom sinks. Campers must ensure that all septic hoses are attached and secure.

Garbage will continue to be collected daily provided it is stored in clear bags as per municipal policy. Bags are available at the gate house and the recycling bin is located at the maintenance yard. **Recycling** will be collected on Sundays. Items to be recycled need to be placed at the curb by noon. Anyone wishing **leaves** to be collected are reminded that they need to be bagged and placed at the curb as well.

Due to circumstances beyond our control, **Red Cross swimming lessons** will not be offered at the park during the Summer of 2010. We apologize for any inconvenience that this may have caused.

Just a reminder that due to liability issues associated with our insurance coverage, we are **no longer able to loan out** any lawn mowers, weed eaters, chainsaws or other pieces of equipment to our campers.

Recycling Program

In an attempt to further promote and support the waste recycling program offered by The Township of Rideau Lakes, a recycling depot will once again be maintained within the park.

Located in the maintenance area, this depot is available to our clientele throughout the season during regular hours of operation. A special recycling pick up will be offered for our seasonal campers on Sunday afternoon provided that the recycling is sorted and bagged accordingly. Paper and cardboard is to be bundled.

We would request your assistance in recycling the following materials.

Bag #1

- **Clear and Coloured Glass**
The following are not recyclable: window panes, mirrors, dishes, light bulbs, ceramics and drinking glasses.
- **Metal containers** – aluminum cans (soup, pop, etc), trays and foil
- **All plastics (#1 to #7)** Turn your plastic container upside down to check the product number. If it is plastic #1 to #7, it is recyclable. All other plastic is garbage.

Bundle

- **Paper/Cardboard** – newspapers and inserts, boxboard (cereal / tissue /etc), magazines, catalogues, household paper.
The following are not recyclable: Waxed or coated.

Bag #2

Regular waste will be picked up daily at the site throughout the season. Clear garbage bags are available at the gatehouse for our clientele at no cost.

OLD STONE MILL NATIONAL HISTORIC SITE

	Transient A35 - LaCharity

Cottage 8

*From the Desk of
Valerie Doyle
Seasonal Campers' Liaison*

May 2010

Welcome back to all of our old friends and to all of our new campers! Here's hoping that the weather will continue the way it has started and we will have a great summer-not a cold one like last year.

The park is looking wonderful as the staff and seasonal campers have already completed a lot of hard work in cleaning up for the season.

I personally wish to express, on behalf of the all of the campers who have phoned me, our deepest sympathies to the family of the late Walter Cosgrove. His smiling face and gruff repartee will be sadly missed by all.

As always, there is a terrific line up of entertainment planned for this summer. Hope to see you there!

Valerie.
