## Lakersfield Ball Activity

The 3rd Annual Hugh Chisamore Memorial Charity Softball Tournament was held at the Lakers Field Ball Diamond in the park on August 28<sup>th</sup>.

Over 90 players braved the cold and wind to come out and have a fun day playing two games each to wrap up what was a great opening season after 15 years of no ball games in Delta. At the end of the day, the 'Blue Devils' came away with the first place trophy. Medallions were also awarded to second and third place team members.

The league will be expanded next year to include 10 teams with games being played on Sunday afternoons and Tuesday evenings.

Thanks to the sponsorship of Shirley and Ward Russell, the Delta Athletic & Recreation Society and the Lower Beverley Lake Park Management Board, tournament players were able to use a new 8' x 16' scoreboard which was recently constructed and installed at the Lakersfield Ball Diamond. This donation, which is in memory of Laura and Harold Russell, is part of the efforts of the Park Management Board to create a viable facility and host ball events within the area.

*The summer of 2011 in all its glory is gone – it seems like it went in a “blink of an eye” and now, it is Thank You time again.....*

### THANK YOU

- To the people who provided magazines and books for the Laundromat shelves;
- To those campers who saved pop can tabs for the Clifford Bowey School in Ottawa;
- To those campers who saved the recyclable plastic bottle caps for Jean Woods as these tops are used to purchase wheel chairs for needy children (5,000 caps equal 1 wheel chair). Please keep saving them throughout the winter;
- To those campers who saved their plastic milk bags, which were collected by Rebekah Perrin, and crocheted into mats by South Crosby Public School students for use by the people of Haiti to sleep on.
  
- On a more personal note, I would like to express my sincere appreciation for the outpouring of sympathy which I received upon the passing of Victor; your warmth, compassion and kindness exemplifies the true meaning of Christianity.

### Old Bastards' Vintage Motorcycle Rally

In mid-September, members and friends of the Old Bastards' Vintage Motorcycle Club converged at Lower Beverley Lake Park to celebrate the 10<sup>th</sup> Anniversary of the Club at their annual rally. Over 500 motorcycles were registered for the two day gala as this event continues to grow in popularity and quality each year.

A vote of thanks is extended to all of the Seasonal Campers who assisted in providing club participants with breakfast and lunch.

Mack Reath, Vice-President of the Old Bastards' Vintage Motorcycle Club visited Lower Beverley Park in late September to present Park Manager William Morris with a donation cheque in the amount of \$1,250. The donation will be used to further enhance the park's playground equipment.

Hi Folks:

It is again the time of year when our thoughts turn to packing up our campers and heading home. With fall upon us, we can now reflect upon all of the memories and good times that we experienced during the summer of 2011. In previous issues of the Park Post, I was remiss in not mentioning what a good day we had with the classic car show in August, complete with Elvis. This day was a great success! Thanks again in part to a group of seasonal campers including Wayne Garrett, Marilyn Adams, Lester Pearson, and the rest of the team who cooked up a cornucopia of culinary delights; Valerie Doyle who worked at the registration desk; Joyce Morley and her team for selling raffle tickets along with those who helped with the setup and the cleanup.

In September, we enjoyed the entertainment of Eddy and the Stingrays; a band we all love to get out and see and dance to as their music makes us remember our own youth! Ambush also made a surprise visit to Lower Beverley during the same weekend. Thanks to William and his quick thinking ways of keeping his constituents entertained and occupied.

The OB's motorcycle club attended the park during the second weekend in September and again was served meals by Brian and Marilyn, and their team of dedicated campers. It was great to see so many of the regulars back with their old and new friends while they toured the J and K Sections of the park looking at the classical bikes.

In closing, I would like to wish all Campers a safe and enjoyable winter and thank you for all your support during the season!

Looking forward to spring already!

Brent
